The screenshot displays the IBM Cognos Analytics with Watson user interface. At the top, a dark navigation bar includes the product name, a '1 item open' indicator, a search bar, and user profile controls. Below this, a green notification banner states 'mock_kaggle[1].csv was uploaded successfully.' with a 'Hide Details' link. The main area features a 'Quick launch' section with four cards: 'Upload data' (with an upload icon), 'Prepare data' (with a data module icon), 'Exploration' (with a magnifying glass icon), and 'Present data' (with a dashboard icon). Each card contains a brief description of its function. At the bottom, a 'Get started' tab is active, showing a link to 'Get up and running in IBM Cognos Analytics'.
